I talked with Dave Evans. He was aware of yesterday's call but they all had prior commitments. He can probably be on tomorrow and will check with others. I also left Benita a message.

I can call John Goodin, if he is in. He and I go way back and he is intimately familiar with GP.
Thanks,

Please make sure Wetlands Division is aware of developments. I will call Benita and/or Dave.

Agreed, no OWOW reps yesterday. John Goodin is Wetlands DD.

Nancy was wondering whether anyone from OWOW or Wetlands Division was on the Cargill call yesterday. I thought I remembered hearing Russ, but maybe that was only on the WOTUS call. Jason, do you know if anyone other than Greg was on from OW? I plan to send a note to Karen giving her names of people in OW who should be invited: Benita, Dave Evans, Russ Kaiser and...I'm missing Wetlands DD, maybe Deputy. Thanks.
